ABOUT ME

Motivated third-year BSc Cyber Security student with a strong interest in Full Stack Web Development. Possesses basic knowledge of cybersecurity along with developing skills in front-end and back-end technologies. Passionate about building secure, responsive, and user-friendly web applications. A quick learner with good problem-solving and teamwork skills, eager to gain practical experience and grow as a Full Stack Developer.

EDUCATION

2025-2027

Bachelors degree in Cyber Security

B.K.Birla College of
Arts, Science and Commerce

I am currently pursuing a Bachelor of Science in Cyber Security at Birla College of Arts, Science and Commerce. My studies have helped me develop a strong foundation in cybersecurity concepts such as network security, ethical hacking, and data protection.

2025-2026

Full-Stack Web Development

G-TECH JAIN
Keerti Education

I completed a Full Stack Development with Python course from Keerti Computer Institute, where I learned front-end and back-end development using HTML, CSS, JavaScript, Python, and basic database concepts. The course helped me understand how to build responsive websites and dynamic web applications, strengthening my interest in full stack development.

SKILLS

- MSCIT
- C & CPP
- PYTHON
- SQL
- HTML & CSS
- BOOTSTRAP
- JAVASCRIPT
- REACT JS
